ARTICLE II

Statutory Determination, Obligation of the Authority and Limitation on Amount of Financing

Section 201 Authority for Project Note Resolution. This Project Note Resolution is adopted by virtue of the Act and pursuant to its provisions. The Authority has ascertained and hereby determines that each and every act, matter, thing or course of conduct as to which provision is made herein is necessary in order to promote, carry out and effectuate the purposes of the Authority in accordance with the Act and to carry out powers expressly given in the Act and to secure or further secure the payment of the principal of, redemption premium, if any, and interest on the Project Notes.

Section 202 Authorization for the Initial Project. The Authority has heretofore and does hereby determine to acquire the Initial Project.

Section 203 Estimated Cost of the Initial Project. (a) The aggregate estimated Costs of the Initial Project are \$2,034,405. It is hereby determined that such Costs so estimated include discounts that may be incurred upon the sale of the Initial Project Notes and reimbursement and repayment of sums heretofore or hereafter provided for by loan or advances from the United States of America, from the State of New Jersey, from the proceeds of any other obligations of the Authority or from other sources and expended or to be expended for other Costs of the Initial Project.

(b) The Authority reasonably expects to reimburse its expenditure of all or any portion of the Costs of the Initial Project paid prior to the issuance of the Initial Project Notes and the Bonds with proceeds of its Initial Project Note and/or its Bonds.

(c) This resolution is intended to be and is a declaration of the Authority's official intent to reimburse the Authority for expenditure of Costs of the Initial Project by the Authority paid prior to the issuance of the Initial Project Notes and the Bonds with the proceeds of the Initial Project Notes and/or its Bonds, in accordance with Treasury Regulation Section 1.150-2.

(d) The maximum principal amount of Initial Project Notes and/or Bonds expected to be issued to finance the Initial Project is \$2,034,405.

(e) The Costs of the Initial Project to be reimbursed with the proceeds if the Initial Project Notes and/or the Bonds will be "capital expenditures" in accordance with the meaning of Section 150 of the Code.

(f) No reimbursement allocation will employ an "abusive arbitrage device" under Treasury Regulations Section 1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Code. The proceeds of the Bonds used to reimburse the Authority for Costs, or funds corresponding to such amounts, will not be used in a manner that results in the creation of "replacement proceeds", including "sinking funds", "pledged funds" or funds subject to a "negative pledge" (as such terms are defined in

Treasury Regulations Section 1.148-1), of the Initial Project Notes or another issue of debt obligations of the Authority, other than amounts deposited into a "bona fide debt service fund" (as defined in Treasury regulations Section 1.148-1).

(g) all reimbursement allocations will occur not later than 18 months after the later of (i) the date the expenditure from a source other than the Initial Project Notes or the Bonds is paid, or (ii) the date the Initial Project is "placed in service" (within the meaning of Treasury Regulations Section 1.150-2) or abandoned, but in no event more than 3 years after the expenditure is paid.

Section 204 Project Note Resolution to Constitute Contract. In consideration of the purchase and acceptance of any or all of the Project Notes by those who shall hold the same from time to time, the provisions of this Project Note Resolution shall be a part of the contract of the Authority with the holders from time to time of the Project Notes. Any pledge made in this Project Note Resolution and provisions, covenants and agreements herein set forth to be performed by or on behalf of the Authority shall be for the equal benefit, protection and security of the holders of any and all of the Project Notes. All of the Project Notes, regardless of the time or times of their issuance, shall be of equal rank without preference, priority or distinction of any of the Project Notes over any other thereof except as expressly provided in or pursuant to this Project Note Resolution.

Section 205 Obligation of Project Notes. The Project Notes shall be special obligations of the Authority payable solely from the Pledged Property. However, the power and the obligation of the Authority to cause application of Revenues or other funds to the payment of the principal of or interest on the Project Notes is subject to the pledge of such Revenues to any bonds issued and outstanding or to be issued and outstanding under the Trust Agreement, the Junior Lien Bond Resolutions or note resolutions and to the payment of Operating Expenses, and are further subject to the rights of holders of any Project Notes.

Section 304 Authentication of Registered Project Notes. The Registered Project Notes shall bear thereon a certificate of authentication, substantially in the form set forth in Section 317 hereof, duly executed by the Registrar. Only such Project Notes as shall bear thereon such certificate of authentication, duly executed, shall be entitled to any right or benefit under this Project Note Resolution. No Registered Project Note shall be valid or obligatory for any purpose unless such certificate of authentication upon such Registered Project Note shall have been duly executed by the Registrar, and such certificate of authentication by the Registrar upon any

Registered Project Note executed on behalf of the Authority shall be conclusive and the only evidence that the Registered Project Note so authenticated has been duly authenticated and delivered under this Project Note Resolution and that the holder thereof is entitled to the benefit of this Project Note Resolution.

Section 305 Interchangeability of Project Notes. Project Notes which are payable to bearer, upon surrender thereof at the principal office of the Registrar, may, at the option of the holder thereof, be exchanged for an equal aggregate principal amount of Registered Project Notes of the same series, designation, maturity and interest rate of any authorized denomination. Registered Project Notes (other than Book-Entry Notes), upon surrender thereof at the principal office of the Registrar together with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner thereof or his attorney duly authorized in writing, may, at the option of such Registered Owner, be exchanged for an equal aggregate principal amount of Project Notes which are payable to bearer of the same series, designation, maturity and interest rate of any other authorized denominations, or, of Registered Project Notes of the same series, designation, maturity and interest rate of any other authorized denomination.. The Authority shall cause the Registrar to maintain and keep books for the registration and transfer of the Project Notes (other than Book-Entry Notes), and, upon presentation thereof for such purpose at the designated office of the Registrar, together with a written instrument of transfer, satisfactory to the Registrar, duly executed by the Registered Owner thereof or by his attorney duly authorized in writing, the Registrar shall register or cause to be registered therein, and permit to be transferred thereon or to be exchanged, under such reasonable regulation as it or the Registrar may prescribe, any Project Note entitled to registration, transfer or exchange. Section 307 Negotiability, Transfer and Registration of Project Notes Payable to Bearer. Project Notes which are payable to bearer, unless at the time registered as to principal, redemption premium, if any, and interest other than to bearer in the manner provided in this Section, shall be negotiable instruments and title to any such Project Note, unless at the time so registered, shall pass by delivery. Any Project Note which is payable to bearer may be registered as to principal, redemption premium, if any, and interest on the registration books of the Authority at the designated office of the Registrar, upon presentation thereof at said designated office and such registration shall be noted on such Project Note. After registration in this manner, no transfer of such Project Note shall be valid unless made on said books by the Registered Owner thereof in person or by his attorney duly authorized in writing, and similarly noted on such Project Note, but such Project Note may be discharged from registration by being in like manner transferred to bearer, after which it shall again become transferable by delivery.

Thereafter such Project Note may again, from time to time, be registered or discharged from registration in the same manner.

Section 308 Transfer of Registered Project Notes. Each Registered Project Note (other than Book-Entry Notes) shall be transferable only upon the books of the Authority at the designated office of the Registrar, by the Registered Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or such duly authorized attorney. Upon the transfer of such Registered Project Note the Authority shall execute, and the Registrar shall authenticate and deliver, a new Project Note or Project Notes registered in the name of the transferee or, at the option of the transferee, to the extent permitted by law, a Project Note which is payable to bearer, of the same aggregate principal amount and series, designation, maturity and interest rate as the surrendered Project Note. Provisions relating to the transfer of Book-Entry Notes shall be determined by a Certificate of Authority Officer duly executed prior to the authentication and delivery of such Book-Entry Notes on original issuance.

Section 309 Ownership of Project Notes and Effect of Registration. The Authority and any Fiduciary may treat and consider the bearer of any Project Note as the holder and absolute owner thereof, whether such Project Note shall be overdue or not, for the purpose of receiving payment of the principal thereof and interest thereon and for all other purposes whatsoever. The Authority and any Fiduciary may treat and consider the person in whose name any Project Note which is payable to bearer which for the time being shall be registered as to principal and interest upon the registration books of the Authority as the holder and absolute owner thereof, whether such Project Note shall be overdue or not, for the purpose of receiving payment of the principal thereof, resolution premium, if any, and interest thereon and for all other purposes whatsoever and payment of, or on account of, the principal of, redemption premium, if any, and interest on such Project Note shall be made only to, or upon the order of, such Registered Owner thereof. However, such registration may thereafter be changed or discharged as herein provided. As of the Record Date, the Authority and any Fiduciary may treat and consider the person in whose name any Project Note which is in registered form as the holder and absolute owner thereof, whether such Project Note shall be overdue or not, for the purpose of receiving payment of the principal thereof, redemption premium, if any, interest thereon and for all other purposes whatsoever, and payment of, or on account of, the principal of, redemption premium, if any, or interest on such registered Note shall be made only to, or upon the order of, such Registered Owner thereof, but such registration may be changed or discharged as herein provided. All payments made as in this Section provided shall be valid and effective to satisfy and discharge the liability upon the several Project Notes to the extent of the sum or sums so paid.

Section 310 Reissuance of Mutilated, Destroyed, Stolen or Lost Project Notes. In case any outstanding Project Note shall become mutilated or be destroyed, stolen, or lost, the Authority or in the case of Registered Notes, the Registrar, shall authenticate and deliver a new Project Note of like tenor, number and amount as the Project Note so mutilated, destroyed, stolen or lost, in exchange of and in substitution for such mutilated Project Note or in lieu of and in substitution for the Project Note destroyed, stolen or lost upon filing with the Authority or Registrar of evidence, satisfactory to the Authority and the Authority or the Registrar, that such

Project Note has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Authority and the Registrar with indemnity satisfactory to them and upon complying with such other reasonable regulations, as the Authority and the Registrar may prescribe and upon payment of such expenses as the Authority and Registrar may incur in connection therewith. In lieu of reissuing a mutilated, destroyed, lost or stolen Project Note which is due and payable, the Authority may pay the amount due on such Project Note to the owner or holder thereof, provided that all of the other requirements of this Section have been met.

Section 311 Regulations with Respect to Registrations, Exchanges and Transfers. In all cases in which the privilege of exchanging Project Notes or transferring Registered Project Notes is exercised, the Authority shall execute and the Registrar shall authenticate Project Notes in accordance with the provisions of this Project Note Resolution. For every registration, exchange or transfer of Project Notes, the Authority or the Registrar may charge a sum sufficient to reimburse them for any tax, or other governmental charge required to be paid, which sum, if not otherwise provided for, shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of effecting such registration, exchange or transfer. The Registrar shall, not less often than quarterly, deliver to the Authority a statement of all Project Notes issued in lieu of or in substitution for other Project Notes pursuant to this Article, including a report of the description and disposition of such other Project Notes.

Section 312 No Recourse On Project Notes. No recourse shall be had for the payment of the principal of, redemption premium, if any, or interest on the Project Notes or for any claim based thereon or on this Project Note Resolution against any member or officer of the Authority or any person executing the Project Notes. The Authority is obligated to pay the principal or redemption premium of, or interest thereon, solely from the Pledged Property. The Project Notes are not a debt or liability of the State of New Jersey or any political subdivision thereof (other than the Authority) and shall not create or constitute any indebtedness, liability or obligation of the State of New Jersey or of any political subdivision thereof (other than the Authority). Neither the faith and credit nor the taxing power of the State of New Jersey nor any political subdivision thereof is pledged to the payment of principal or redemption premium of, or interest on, the Project Notes. The Authority has no taxing power.

Section 313 Application of Proceeds of Project Notes. The proceeds of the Project Notes hereafter issued pursuant to this Project Note Resolution from time to time shall be paid to or upon the order of the Authority. The Authority shall deposit the amount (if any) of the accrued interest received with respect to such Project Notes in the Debt Service Account and, if such Project Notes were issued for the purpose of paying at or prior to maturity the principal of, redemption premium, if any, or interest on any Project Notes, an amount sufficient to pay such principal, redemption premium, if any, or interest, shall be similarly deposited. If such Project Notes were issued for the purpose of paying or providing for the payment of any other indebtedness of the Authority incurred with respect to the Initial Project, an amount sufficient for such purpose shall be so applied. Any remainder of the proceeds of such Project Notes shall be deposited by the Authority into the Project Account for application to payment of the Costs of the Initial Project.

Section 314 Authorization of Additional Project Notes. (a) After the execution, authentication and delivery of the Initial Project Notes, Additional Project Notes of the Authority may be authorized to be issued pursuant to and in accordance with the Act either (i) for the purpose of raising funds to pay the Cost of acquisition or construction of part or parts of the Initial Project, including extensions, renewals, replacements, equipment, alterations, improvements or betterments and of all or any property, rights, easements and franchises deemed by the Authority, to be necessary or useful and convenient therefor, (ii) for the purpose of refunding any Initial Project Notes or Additional Project Notes, or (iii) to raise funds to complete any work for which Additional Project Notes were issued for which the Initial Project Notes were issued.

Upon such authorization, such Additional Project Notes may, upon initial issuance, at one time, or from time to time, be executed by or on behalf of the Authority.

(c) All Additional Project Notes shall be substantially in the form and tenor of Project Notes as provided in this Project Note Resolution, except that, notwithstanding any other provisions, such Project Notes shall be in such principal amounts, shall be of such denominations, shall bear such date, shall bear such designation as to series, numbers or symbols prefixed to their number distinguishing them from each other Project Note, and shall be subject to redemption prior to maturity on such terms and conditions consistent with the provisions of this Project Note Resolution, and may bear interest at such rate or such different or varying rates per annum as may be fixed by the Supplemental Project Note Resolution of the Authority authorizing the issuance of such Additional Project Notes or by such other Supplemental Project Note Resolution of the Authority adopted prior to authentication and delivery of such Additional Project Notes.

(d) After their execution and delivery by the Authority, all Additional Project Notes shall for all purposes hereof be deemed to constitute Notes and shall be entitled to the pledge provided by this Project Note Resolution and shall have equal rank with respect to such pledge with the Initial Project Notes, all Additional Project Notes previously authenticated and delivered shall be entitled to the security and benefit of such pledge and of the provisions of this Project Note Resolution. Notwithstanding anything herein which may be to the contrary, any moneys held under this Project Note Resolution in respect of the defeasance of Project Notes shall be applied solely to the payment of the particular Project Notes defeased.

Section 315 Conditions Precedent to the Issuance of Project Notes. The Project Notes shall be issued only upon delivery to the purchaser thereof of:

(a) The approving opinion of bond counsel to the Authority, as to the validity of the Project Notes; and

(b) Such other documents as the Authority or the purchaser of the Project Notes may reasonably require.

Section 316 Redemption of Project Notes. finance loans to persons other than the Authority, or (iii) to acquire any "nongovernmental output property" within the meaning of Section 141(d)(2) of the Code. In addition, the Authority covenants and agrees that no portion of the Project will be investment property, within the meaning of Section 148(b) of the Code. The Authority covenants and agrees that any Costs of the Authority's Project to be paid or reimbursed with proceeds of the Loan will result in the expenditure of proceeds under Treasury Regulations §1.148-6(d) and Treasury Regulations §1.150-2.

(e) Operation and Maintenance of Environmental Infrastructure System. The Authority covenants and agrees that it shall maintain its Environmental Infrastructure System in good repair, working order and operating condition, and make all necessary and proper repairs and improvements with respect thereto.

(f) Records and Accounts; Inspections. The Authority covenants and agrees that it shall keep accurate records and accounts for its Environmental Infrastructure System, separate and distinct from its other records and accounts, which shall be audited annually by an independent registered municipal accountant and shall be made available for inspection by the I-Bank upon prior written notice. The Authority shall permit the I-Bank and any party designated thereby, at any and all reasonable times during construction of the Project and thereafter, upon prior written notice, to examine, visit and inspect the property, if any, constituting the Project.

(g) Insurance. The Authority covenants and agrees that it shall maintain insurance policies providing against risk of direct physical loss, damage or destruction of its Environmental Infrastructure System, in an amount that will satisfy all applicable regulatory requirements. The Authority covenants and agrees that it shall include, or cause to be included, the I-Bank as an additional "named insured" on any certificate of liability insurance procured by the Authority and by any contractor or subcontractor for the Project.

(h) Reliance. The Authority hereby acknowledges that the I-Bank is making the Loan to the Authority pursuant to the terms hereof in reliance upon each of the covenants of the Authority set forth in this Section 3.

SECTION 4. Disbursement of the Loan Proceeds; Amounts Payable; Prepayment; and Late Fee.

(a) The I-Bank shall effectuate the Loan to the Authority by making one or more disbursements to the Authority promptly after receipt by the I-Bank of a Loan Disbursement Requisition and the approval of such Loan Disbursement Requisition by an Authorized Officer of the I-Bank or designee thereof, each such disbursement and the date thereof to be recorded by an Authorized Officer of the I-Bank on the table attached as Exhibit A-2 hereto; provided, however, that the approval by the I-Bank of any Loan Disbursement Requisition for disbursement pursuant to the terms hereof shall be subject to the terms, conditions and limitations as set forth in Section 4(d) of this Note. It is expected that the proceeds of the Loan will be disbursed to the Authority in accordance with the schedule set forth in Exhibit C hereto, as Exhibit C shall be supplemented by an Authorized Officer of the I-Bank by means of either a substitute Exhibit C or an additional

Exhibit C, such supplement to be implemented concurrently with the supplement to Exhibit A-1 hereto (as provided in the definition of "Project" as set forth herein). The latest date upon which the Authority may submit to the I-Bank a Loan Disbursement Requisition is the business day immediately preceding the date fixed by the I-Bank for the sale of its bonds in connection with the Anticipated Financing Program, or such alternative date as shall be identified by the I-Bank for the Authority in writing.

(b) Notwithstanding the provisions of Section 4(a) to the contrary, the Authority hereby acknowledges and agrees, as follows: (i) to the extent that all or a portion of the Interest is funded by the Loan (as provided pursuant to Exhibit B hereto, as Exhibit B may hereafter be amended or supplemented as provided by the provisions hereof), payment of such Interest shall be made to the I-Bank via one or more disbursements by the I-Bank hereunder, at the times and in the amounts, as and to the extent provided in one or more written notices provided to the Authority pursuant to the terms hereof by an Authorized Officer of the I-Bank, and each such disbursement shall be recorded by an Authorized Officer of the I-Bank on the table attached as Exhibit A-2 hereto; and (ii) on the date of issuance of this Note, a disbursement shall be made and shall be recorded by an Authorized Officer of the I-Bank on the table attached as Exhibit A-2 hereto in the amount recorded thereon, with such disbursement (and any subsequent and supplemental disbursements made pursuant to Exhibit B hereto, as Exhibit B may hereafter be amended or supplemented as provided by the provisions hereof) being made for the purpose of funding fifty percent (50%) of the Administrative Fee and paid by the I-Bank on behalf of the Authority directly to the NJDEP in satisfaction of the provisions hereof. The Authority further acknowledges and agrees that the remaining unpaid balance of the Administrative Fee shall be due and payable on the Maturity Date or as otherwise established by the I-Bank pursuant to the Anticipated Financing Program.

(c) On the Maturity Date or, with respect to the payment of all or a portion of the Interest, on the applicable Payment Date(s) as and to the extent provided herein, the Authority shall repay the Loan to the I-Bank in an amount equal to: (i) the Principal; (ii) the Interest then due and owing pursuant to the provisions of this Note; and (iii) any other amounts then due and owing pursuant to the provisions of this Note. The Authority may prepay the Loan obligations hereunder, in whole or in part, upon receipt of the prior written consent of an Authorized Officer of the I-Bank. Each payment made to the I-Bank shall be applied to the payment of, first, the Interest then due and payable, second, the Principal, third, any late charges, and, finally, any other amount then due and payable pursuant to the provisions of this Note. In the event that the repayment obligation set forth in this Note is received by the I-Bank later than the Maturity Date or the Payment Date, as the case may be, a late fee shall be payable to the I-Bank in an amount equal to the greater of twelve percent (12%) per annum or the prime rate as published in the Wall Street Journal on the Maturity Date or the Payment Date, as the case may be, plus one half of one percent per annum on such late payment from the Maturity Date or the Payment Date, as the case may be, to the date it is actually paid; provided, however, that any late payment charges incurred hereunder shall not exceed the maximum interest rate permitted by law.

(d) Notwithstanding the provisions of this Note to the contrary with respect to the funding, pursuant to Section 4(a) hereof, of any Loan Disbursement Requisition relating to all or

any portion of the Project, the Authority hereby acknowledges and agrees, as follows: (i) the I-Bank shall not, and shall not be required to, commit funds, pursuant to the Water Bank Construction Financing Program of the I-Bank, to any portion of the Project until such time as the particular portion of the Project in question has been certified for funding by the NJDEP; (ii) no Loan Disbursement Requisition shall be approved by the I-Bank for disbursement pursuant to Section 4(a) hereof unless and until the portion of the Project to which such Loan Disbursement Requisition relates has been certified for funding by the NJDEP; (iii) no Loan Disbursement Requisition shall be approved by the I-Bank for disbursement pursuant to Section 4(a) hereof unless and until the Appropriation Condition has been satisfied to an extent and in an amount that is sufficient to fund, in the aggregate, the particular Loan Disbursement Requisition in question and all prior Loan Disbursement Requisitions; and (iv) the I-Bank has no obligation pursuant to this Note to make all or any portion of any Loan Disbursement Requisition disbursement pursuant to the provisions of Section 4(a) hereof if the Authority lacks the authority to pay interest on this Note in an amount equal to the Interest Rate.

SECTION 5. Unconditional Obligations. The obligation of the Authority to make the Loan repayments and all other payments required hereunder and the obligation to perform and observe the other duties, covenants, obligations and agreements on its part contained herein shall be absolute and unconditional, and shall not be abated, rebated, set-off, reduced, abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner whatsoever while any Loan repayments, or any other payments due hereunder, remain unpaid, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project or Environmental Infrastructure System, commercial frustration of the purpose, any change in the laws of the United States of America or of the State or any political subdivision of either or in the rules or regulations of any governmental authority, any failure of the I-Bank to perform and observe any agreement or any duty, liability or obligation arising out of this Note, or any rights of set-off, recoupment, abatement or counterclaim that the Authority might have against the I-Bank or any other party; provided, however, that payments hereunder shall not constitute a waiver of any such rights.

SECTION 6. Events of Default. The following events shall constitute an "Event of Default" hereunder: (i) failure by the Authority to pay, when due, any and all of its Loan repayment obligations hereunder, and any other payment obligations due hereunder; (ii) failure by the Authority to observe and perform any duty, covenant, obligation or agreement on its part to be observed or performed pursuant to the terms of this Note; (iii) any representation made by the Authority contained in this Note or in any instrument furnished in compliance with or with reference to this Note is false or misleading in any material respect; and (iv) a petition is filed by or against the Authority under any federal or state bankruptcy or insolvency law or other similar law in effect on the date of this Note or thereafter enacted, unless in the case of any such petition filed against the Authority such petition shall be dismissed within thirty (30) days after such filing and such dismissal shall be final and not subject to appeal, or the Authority shall become insolvent or bankrupt or shall make an assignment for the benefit of its creditors, or a custodian of the Authority or any of its property shall be appointed by court order or take possession of the

Authority or its property or assets if such order remains in effect or such possession continues for more than thirty (30) days.

SECTION 7. Remedies upon Event of Default. Whenever an Event of Default shall have occurred and be continuing pursuant to the terms hereof, the Authority hereby acknowledges and agrees to the rights of the I-Bank to take any action permitted or required at law or in equity to collect the amounts then due and thereafter to become due hereunder or to enforce the observance and performance of any duty, covenant, obligation or agreement of the Authority hereunder. If an Event of Default shall have occurred, the Authority hereby acknowledges and agrees that the I-Bank shall have the right to (i) immediately cease disbursements of the proceeds of the Loan, and/or (ii) declare all Loan repayments and all other amounts due hereunder to be due and payable immediately without further notice or demand. The Authority hereby acknowledges and agrees that no remedy herein is intended to be exclusive, and every remedy shall be cumulative and in addition to every other remedy given under this Note or now or hereafter existing at law or in equity. The Authority hereby further acknowledges and agrees that no delay or omission by the I-Bank to exercise any remedy or right accruing upon any Event of Default shall impair any such remedy or right or shall be construed to be a waiver thereof, but any such remedy or right may be exercised as often as may be deemed expedient. The Authority hereby further acknowledges and agrees that, pursuant to the "New Jersey Infrastructure Bank Credit Policy", adopted by the Board of Directors of the I-Bank, and as further amended and supplemented from time to time (the "Credit Policy"), during such time as an Event of Default has occurred and is continuing hereunder, the Authority shall be ineligible for additional financial assistance from the I-Bank (including, without limitation, long-term financing through the Anticipated Financing Program), in addition to certain other consequences set forth in the Credit Policy. The Authority hereby agrees that upon demand it shall pay to the I-Bank the reasonable fees and expenses of attorneys and other reasonable expenses (including, without limitation, the reasonably allocated costs of in-house counsel and legal staff) incurred in the collection of Loan repayments or any sum due hereunder or in the enforcement of the observation or performance of any obligations or agreements of the Authority upon an Event of Default. Any moneys collected by the I-Bank pursuant to this Section 7 shall be applied first to pay any attorneys' fees or other fees and expenses owed by the Authority.

SECTION 8. Certain Miscellaneous Provisions. The Authority hereby acknowledges and agrees as follows: (a) all notices hereunder shall be deemed given when hand delivered or when mailed by registered or certified mail, postage prepaid, to the Authority at the following address: Linden Roselle Sewerage Authority, 5005 South Wood Avenue, Linden, New Jersey 07036, Attention: Executive Director; and to the I-Bank at the following address: New Jersey Infrastructure Bank, 3131 Princeton Pike, Building 4, Suite 216, Lawrenceville, New Jersey 08648-2201, Attention: Executive Director; (b) this Note shall be binding upon the Authority and its successors and assigns; (c) in the event any provision of this Note is held illegal, invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate, render unenforceable or otherwise affect any other provision hereof; (d) the obligations of the Authority pursuant to the terms of this Note may not be assigned by the Authority for any reason, unless the I-Bank shall have approved said assignment in writing; (e) this Note may not be amended, supplemented or modified without the prior written consent of the I-Bank; (f) this Note shall be

governed by and construed in accordance with the laws of the State; (g) the Authority shall, at the request of the I-Bank, execute and deliver such further instruments as may be necessary or desirable for better assuring, conveying, granting, assigning and confirming the rights, security interests and agreements granted or intended to be granted by this Note; (h) whenever the Authority is required to obtain the determination, approval or consent of the I-Bank pursuant to the terms hereof, such determination, approval or consent may be either granted or withheld by the I-Bank in its sole and absolute discretion; and (i) consistent with the provisions of N.J.S.A. 58:11B-13, neither the directors of the I-Bank nor any officers of the I-Bank taking any action with respect to this Loan shall be liable personally with respect to the Loan or any matters or transactions related thereto.

This Note is subject to redemption prior to its stated maturity.

THE AUTHORITY ENABLING ACT PROVIDES THAT NEITHER THE MEMBERS OF THE AUTHORITY NOR ANY PERSON EXECUTING THE NOTE SHALL BE LIABLE PERSONALLY ON THE NOTE BY REASON OF THE ISSUANCE THEREOF.

THE AUTHORITY IS OBLIGATED TO PAY THE PRINCIPAL OR REDEMPTION PREMIUM OF, OR INTEREST THEREON, SOLELY FROM THE PLEDGED PROPERTY. THE NOTE IS NOT A DEBT OR LIABILITY OF THE STATE OF NEW JERSEY OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY) AND SHALL NOT CREATE OR CONSTITUTE ANY INDEBTEDNESS, LIABILITY OR OBLIGATION OF THE STATE OF NEW JERSEY OR OF ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY). NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OF NEW JERSEY NOR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF PRINCIPAL OR REDEMPTION PREMIUM OF, OR INTEREST ON, THE NOTE. THE AUTHORITY HAS NO TAXING POWER.

It is hereby certified and recited that all conditions, acts and things required by the Constitution or statutes of the State of New Jersey or the Authority Project Note Resolution to exist, to have happened or to have been performed precedent to or in the issuance of this Note exist, have happened and have been performed and that the Note, together with all other indebtedness of the Authority, is within every debt and other limit prescribed by the Constitution or statutes.

ARTICLE IV

Remedies

Section 401 Remedies The holders of the Project Notes shall be entitled to all of the rights and remedies provided in the Act or otherwise provided or permitted at law or in equity or by statute.

Section 402 Right to Enforce Payment of Project Notes Unimpaired. Nothing in this Article contained shall affect or impair the right of any holder of Project Notes to enforce the payment of the principal of, redemption premium, if any, and the interest on his or her Project Notes or the obligations of the Authority to pay the principal of and the interest on each Project Note issued hereunder to the holder thereof at the time and place stated in the Project Note.

ARTICLE V

Pledge Securing the Project Notes and Special Accounts.

Section 501 Pledge Securing the Project Notes. As security for the due and punctual payment of the principal of, redemption premium, if any, and interest on the Project Notes and the due and punctual payment and performance of the obligations hereunder, the Authority hereby pledges to the holders of the Project Notes, and grants to the holders a lien on and security interest in (a) all amounts, securities and funds on deposit from time to time in the Debt Service Account and Project Account, including Revenues, subject to the application of such amounts, securities and funds in accordance with the provisions of this Project Note Resolution and (b) all proceeds derived from the issuance and/or sale by the Authority of Additional Project Notes or Bonds for the purpose of refunding the Project Notes, all in accordance with the covenants and agreements of the Authority contained in this Project Note Resolution. In addition, the Project Notes shall constitute a general obligation of the Authority to be paid from any available funds of the Authority subject to any lien or pledge thereon established or to be established for the benefit of any holders of bonds or notes issued or to be issued pursuant to the Authority's Trust Agreement, Junior Lien Bond Resolutions or note resolutions. Such pledge shall be valid and binding from and after the date of the first delivery of any of the Project Notes.

Section 502 Establishment of Accounts. The Authority hereby establishes and creates the following separate accounts:

- (1) Debt Service Account
- (2) Project Account

Each of said accounts shall be held by the Paying Agent.

Section 503 Debt Service Account. There shall be deposited into the Debt Service Account all accrued interest on the Project Notes and all moneys deposited by the Authority into the Debt Service Account from the sale of the Project Notes, that may be required or be made available for the payment of the principal of, redemption premium, if any, or interest on the Project Notes outstanding from time to time. The moneys which are on deposit at any time in the Debt Service Account shall be held and applied solely to the payment and discharge of the principal of and interest on the Project Notes when due and payable. Pending application of the moneys in this account to such purpose, any moneys therein shall be invested by the Authority in accordance with Section 505, provided that such investments shall mature in such amounts and at such times as will permit funds to be available for payment of principal of, redemption premium, if any, and interest on Project Notes.

Section 504 Project Account. Any proceeds which are derived from the sale of any Project Notes which are not deposited in the Debt Service Account, shall be deposited in the Project Account. Moneys in the Project Account shall be invested by the Authority in accordance with Section 505, provided that such investments shall mature in such amounts and at such times as will permit funds to be available when needed to pay the Cost of the Initial Project

(which may include operating and other expenses of the Authority). Amounts in the Project Account shall be paid out only pursuant to requisitions signed by an Authority Officer to which shall be attached a voucher signed by an Authority Officer certifying that such disbursement is necessary to pay part of Cost and stating, by general classification, the purpose for which such disbursement is to be made. All moneys in the Project Account are hereby pledged pending their application as hereinabove in this Section provided, to secure the payment of the principal of, redemption premium, if any, and interest on the Project Notes.

To the extent that the Authority has received an Interim Loan pursuant to the Bank's Construction Financing Program, the disbursement procedures set forth in Section 4 of the Initial Project Note shall govern.

Section 505 Investments. The Authority shall invest moneys held pursuant to this Article V in such Investment Obligations, or class or classes of Investment Obligations within the limitations of this Article V in such manner that the moneys shall be available for application as required by this Project Note Resolution.

ARTICLE VI

Redemption of Project Notes

Section 601 Privilege of Redemption and Redemption Prices. The Project Notes of any series which are subject to redemption prior to maturity at the option of the Authority shall be subject to redemption by or on behalf of the Authority upon notice as provided in this Article, to the extent, through application of such moneys, at such time or times, in such order, and on such other terms and conditions as shall be provided by a Supplemental Project Note Resolution of the Authority duly adopted prior to the authentication and delivery of the Project Notes, or as shall be determined by a Certificate of Authority Officer, as the case may be, and as shall be provided in said Project Notes. In all such cases, the Project Notes shall be redeemed at the Redemption Prices set forth in said Project Notes and which are applicable upon such redemption. If less than all of the Project Notes of such series of like maturity which are then outstanding are to be redeemed, the particular Project Notes to be redeemed shall be selected by lot in the manner set forth below.

Section 602 Selection of Project Notes to be Redeemed by Lot. In the event of the redemption by lot of Project Notes of like series and maturity, the Paying Agent shall assign to each Project Note of such series and maturity which is then outstanding a distinctive number for each \$5,000 of the principal amount of such Project Notes and shall select by lot, using such method of selection as it shall deem proper in its discretion and from the numbers of all such Project Notes to be redeemed, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Project Notes to be redeemed. The Project Notes to be redeemed shall be those Project Notes whose numbers were so selected; provided, however, that only so much of the principal amount of each such Project Note (of a denomination of more than \$5,000) shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. For the purposes of this Section, Project Notes which have theretofore been selected by lot for redemption shall not thereafter be deemed to be outstanding.

Section 603 Notice of Redemption. When the Paying Agent shall be required or shall be authorized, or shall receive notice from the Authority of its election to redeem Project Notes, the Paying Agent shall, in accordance with the terms and provisions of the Project Notes and the provisions of the Resolution, select the Project Notes to be redeemed and the Paying Agent shall give notice, in the name of the Authority, of the redemption of such Project Notes. Such notice shall specify the series and maturities of the Project Notes to be redeemed, the redemption date and the place or places where amounts which are due and payable upon such redemption will be payable and, if less than all of the Project Notes or any like series and maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Project Notes to be redeemed, and, in the case of a Project Note to be redeemed in part only, such notice shall also specify the portion of the principal amount thereof to be redeemed. Such notice shall further state that on such date the Redemption Price thereof shall become due and payable with respect to each Project Note to be redeemed, or the Redemption Price of the specified portion of the principal amount thereof (in the case of a Project Note to be redeemed in part only) and such notice shall also state that from and after such date interest on such Project Note, or portion thereof, shall cease to accrue and be payable. The Paying Agent shall also mail a copy of such

notice, postage prepaid, not less than thirty (30) days or more than sixty (60) days prior to such redemption date, to the Registered Owner, if any, of any Project Note all or a portion of which is to be redeemed, at his last address, if any, appearing upon the registration books of the Authority which are kept and maintained by the Registrar, but such mailing shall not be a condition precedent to such redemption and failure to mail any such notice shall not affect the validity of any proceedings for the redemption of the Project Notes.

Section 604 Authority's Election to Redeem. The Authority shall give written notice to the Paying Agent of its election to redeem Project Notes and of the redemption date, which notice shall be given at least sixty-five (65) days prior to the date fixed for redemption or at such later date as shall be acceptable to the Paying Agent. In the event that the required notice of redemption shall have been given, the Authority shall, and hereby covenants that it will, prior to the date fixed for redemption, pay to the Paying Agent an amount in cash which, in addition to other moneys available therefor which are held by the Paying Agent, will be sufficient to redeem, at the Redemption Price thereof, all of the Project Notes which have been selected for redemption.

Section 605 Payment of Redeemed Project Notes. If notice has been given by publication (in the manner provided in Section 603 hereof), the Project Notes, or portions thereof, which have been called for redemption and which have been specified in said notice shall become due and payable on the redemption date specified in said notice at the Redemption Prices thereof which are applicable on such date, and, upon presentation and surrender thereof at the place or places specified in said notice together with, in the case of Project Notes which are registered otherwise than to bearer, a written instrument of transfer duly executed by the Registered Owner thereof or by his attorney duly authorized in writing, said Project Notes or portions thereof shall be paid at the said Redemption Prices. If less than all of a Project Note has been selected for redemption, the Authority shall execute and the Registrar shall authenticate a new Project Note in an amount which is equal to the unredeemed balance of the principal amount of the Project Note so surrendered, upon the presentation and surrender of such Project Note, to be delivered without charge to the owner thereof. At the option of the owner thereof, the Authority shall cause the Registrar to issue and deliver either Project Notes which are payable to bearer or Registered Project Notes of like series, designation, interest rates and maturities in any of the authorized denominations. If, on such redemption date, moneys for the redemption of all of the Project Notes (or portions thereof) of any like series and maturity to be redeemed, shall be held by or on behalf of the Paying Agent so as to be available therefor on such date and if a notice of redemption thereof shall have been published as aforesaid, then from and after such redemption date, interest on the Project Notes (or portions thereof) of such series and maturity which have been called for redemption shall cease to accrue and become payable and said Project Notes shall no longer be considered to be outstanding hereunder. All moneys which are held by or on behalf of the Paying Agent for the redemption of particular Project Notes shall be held in trust for the account of the holders of the Project Notes to be redeemed. If moneys for the payment of the Redemption Price and the accrued interest to the redemption date are not so held by the Paying Agent, such Project Notes or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Section 606. Initial Project Notes. Notwithstanding anything to the contrary in this Project Note Resolution, the Initial Project Notes shall be subject to prepayment in accordance with the terms and conditions of the Initial Project Note.

ARTICLE VII

The Fiduciaries

Section 701 Paying Agents, Registrar and Securities Depository. (a) The Authority shall appoint one or more Paying Agents for the Project Notes (other than Book-Entry Notes). Such Paying Agents shall be appointed pursuant to a Certificate of Authority Officer executed prior to the authentication and delivery of the Project Note, and may at any time or from time to time by a Supplemental Project Note Resolution appoint one or more other Paying Agent, for such Project Notes. Each Paying Agent shall be a bank, trust company or national banking association, doing business and having an office in the State of New Jersey or New York and having trust powers if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all of the duties which are imposed upon it by this Project Note Resolution. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Project Note Resolution by executing and delivering to the Authority a written acceptance thereof. The Registrar may be appointed and may act as a Paying Agent for the Project Notes.

(b) The Authority shall, by a Certificate of Authority Officer executed prior to the authentication and delivery of any Project Notes which are issued in registered form, appoint a Registrar for such Project Notes. Such Registrar shall be a bank, trust company, or national banking association doing business and having an office in the State of New Jersey or in the Borough of Manhattan, City and State of New York, if there be such a bank, trust company, or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Project Note Resolution. The Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Project Note Resolution by executing and delivering to the Authority a written acceptance thereof. The Paying Agent may be appointed and may act as a Registrar for the Project Notes.

(c) In connection with the issuance of Book-Entry Notes, the Authority shall appoint a Securities Depository. Such Securities Depository shall be appointed pursuant to a Certificate of Authority Officer executed prior to the authentication and delivery of such Book-Entry Notes. Such Securities Depository shall be a bank or corporation having an office in the City of New York which is willing and able to accept the appointment upon reasonable and customary terms and which is authorized by law to perform all of the duties which are imposed upon it by this Project Note Resolution.

Section 702 Responsibilities of Fiduciaries. The recitals of fact which are contained herein and in the Project Notes contained shall be taken as the statements of the Authority and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this Project Note Resolution or of any Project Note issued thereunder or in respect to the security afforded by this Project Note Resolution, and no Fiduciary shall incur any responsibility in respect thereof. The Registrar shall, however, be responsible for its representation contained in its certificate of authentication of the Project

Notes. No Fiduciary shall be under any responsibility or duty with respect to the issuance of the Project Notes for value or the application of the proceeds thereof or the application of any moneys paid to the Authority or others in accordance with this Project Note Resolution. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any action or suit in respect to this Project Note Resolution or Project Notes, or to advance any of its own moneys, unless properly indemnified. No Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or default.

Section 703 Funds Held in Trust. All moneys held by any Fiduciary, as such, at any time pursuant to the terms of this Project Note Resolution shall be and hereby are assigned, transferred and set over unto such Fiduciary in trust for the purposes and under the terms and conditions of this Project Note Resolution.

Section 704 Evidence on Which Fiduciaries May Act. Each Fiduciary shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel, who may or may not be of counsel to the Authority, and the opinion of such counsel shall be full and complete authorization and protection in respect to any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever any Fiduciary shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an Authority Officer stating the same, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Project Note Resolution upon the faith thereof, but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Except as otherwise expressly provided herein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by or on behalf of the Authority to any Fiduciary shall be sufficiently executed if executed by an Authority Officer.

Section 705 Compensation and Expenses. Unless otherwise provided by contract with the Fiduciary, the Authority shall pay to each Fiduciary from time to time reasonable compensation for all services rendered by it hereunder, and also reimbursement for all its reasonable expenses, charges, legal and engineering fees and other disbursements and those of its attorneys, agents and employees, incurred in and about the performance of its powers and duties hereunder, and each Fiduciary shall have a lien therefor on any and all funds at any time held by it hereunder. The Authority shall indemnify and save each Fiduciary harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder and which are not due to its negligence or default.

Section 706 Certain Permitted Acts. Any Fiduciary may become the owner of or may deal in Project Notes as fully and with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depository for, and permit any of its

officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of holders of Project Notes or to effect or aid in any reorganization growing out of the enforcement of the Project Notes or this Project Note Resolution, whether or not any such committee shall represent the holders of a majority in principal amount of the Project Notes outstanding.

Section 707 Resignation of Fiduciary. A Fiduciary, or any successor thereof, may at any time resign and be discharged of its duties and obligations created by this Project Note Resolution by giving not less than sixty days' written notice to the Authority and mailing notice thereof within twenty days after the giving of such written notice to the holders of the Project Notes. Such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed by the Authority or holders of Project Notes as herein provided, in which event such resignation shall take effect immediately on the appointment of such successor.

Section 708 Removal. A Fiduciary, or any successor thereof, may be removed at any time by the holders of a majority in principal amount of the Project Notes then outstanding, excluding any Project Notes held by or for the account of the Authority, by an instrument or concurrent instruments in writing signed and duly acknowledged by such holders or by their attorneys duly authorized in writing and delivered to the Authority. Copies of each such instrument shall be delivered by the Authority to each other Fiduciary and any successor thereof. Any such successor Fiduciary shall promptly notify the other Fiduciaries of its appointment as such Fiduciary.

Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which such Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company or national banking association which is qualified to be a successor to such Fiduciary under Section 610 and shall be authorized by law to perform all the duties imposed upon it by this Project Note Resolution, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.
